THE CHOWANOKA

VOLUME 66

Chowan College

MURFREESBORO, NORTH CAROLINA

From that very first day of kindergarden when our parents left us at school, we had no idea what we were in for. Given that opportunity and that independence we began our journey ...

We learned academically and socially. We learned our colors, how to count, and began to read. We learned how to make friends and how to keep them--and how it felt to lose them.

We made it through junior high and went on to get our high school diploma. With that, we were forced to make a decision. Not all of our friends had the same desires so the time came for us to part from our friends and families and leave for college.

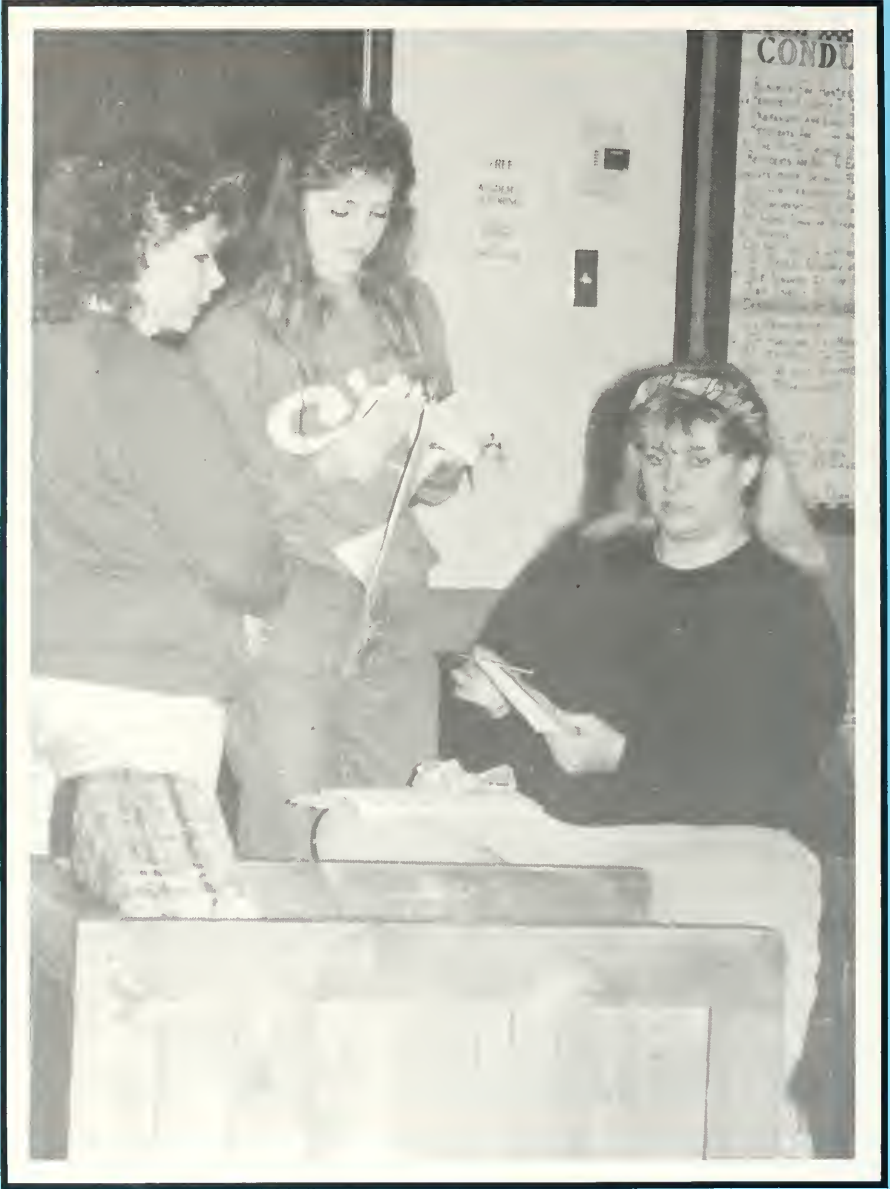

Chowan—we came, we saw, and we wanted to go home, but we stuck it out. Now as we are about to be handed another diploma we take it as a ticket to open new doors. This is another turning point for us and we must make more decisions. Once again we will have to leave familiar places and places to go on to new experiences.

All these memories and experiences help to make better people with brighter futures.

Homecoming

The 1988 homecoming was a success. There were many events that happened during the week. Dinner in the park, followed by a pep rally. Decorating of dorms and rooms. And to top it all we won the game against Potomac State.

WHITAKER LIBRARY

One of the assets and strenghts of the college is Whitaker Library, which becomes evident when measured by many standards. Since its construction in 1968, the facility has "broken through" to become a leader among libraries at other institutions throughout the state and nation.

A three-story structure, the library contains very adequate space for students and faculty in several reading areas with individual booths and tables where small groups may study and work together. Built to shelve 100,000 volumes, Whitaker Library is well on the way to reaching full capacity, and this year contains more than 88,000 volumes of books. The library also houses items of historical interest to the college and the region, as well as the "Baptist Collection" of materials in the Antiquities Room. A very wide variety of periodicals and newspapers is available with more being added each month.

Students attest that the library offers much more than books, *reference materials*, and periodicals, for it is a place for quiet study in a relaxed and friendly atmosphere. The very capable staff of librarians is always on hand to assist students in any way possible; whether it be in the operations of the microfilm and microfiche, rendering information on Early American novelist or a copy of a speech made by a past American president.

There is always a use for research material.

An hour is set aside on Monday and Wednesday of each week for Assembly, which is administered in Turner Auditorium which is located inside McDowell Columns Building. Mondays are normally attended by Freshmen and Wednesdays by Sophomores.

A wide range of programs is offered, to make assemblies as interesting as possible. Topics cover from guest speakers to religious services. Though some students choose to sleep the hour away, most listen attentively to the interesting programs.

The residents of

Belk Hall

Belk Hall is the Chowan home for approximately 200 female students. The facility is of a three-story brick design and has a lounge on each floor as well as built-in furniture throughout. Some residents say they get "tired of hiking the stairs", but say they had rather live in Belk than any other residence hall on campus.

JENKINS HALL

The residents of

Jenkins Hall

Jenkins Hall is one of the last residence halls to be completely renovated to provide attractive and desirable accommodations for female students. Each room is equipped with a heating and air conditioning unit. Residents of Jenkins Hall enjoy the facility particularly in that it is conveniently situated near the classroom buildings, cafeteria, and library.

The residents of

West Hall

West Hall is home for approximately 216 students, and the facility is presently being renovated to provide more modern facilities for the residents. One wing of each floor is undergoing renovation and remodeling, but this work has not proven to be an inconvenience to residents. Students enjoy the lounges provided in the residence hall and they are popular places to spend their leisure hours after classes and in the evenings.

The residents of

Simons Hall

Simons Hall... a home away from home for approximately 118 male students...is conveniently situated near the main entrance to the college. Named on memory of W. L. (Roy) Simons and in honor of M.E. Valentine, Sr., the facility is a two-story structure and fully air conditioned. The residents develop close friendships and actively pursue the coveted "President's Cup".

The residents of

Parker Hall

Parker Hall... the "Chowan Hilton" is perhaps the tallest building in the county, and its nine floors "tower" high above Lake Vann in the south campus. Situated in the center of the athletic complex of Helms Center, tennis courts, Hawkins Baseball Field and Garrison Football Stadium, the facility provides living accommodations for approximately 280 men. Though elevators are provided, many students build up muscles and burn calories in traveling the stairwells which lead to the high floors.

The residents of

Mixon Hall

Mixon Hall was completely renovated several years ago to provide private rooms for 48 male students, each with its own heating and air conditioning unit. The residence hall is named in memory of a former Chowan president, Dr. F. O. Mixon, whose widow served as Chairman of the Department of Religion until her retirement. The residents of Mixon Hall were caused to move to other residence halls on campus in February of 1988 after the building was severely damaged by an early morning fire. The building has since been repaired and is now suitable to house the same number of male as in years before.

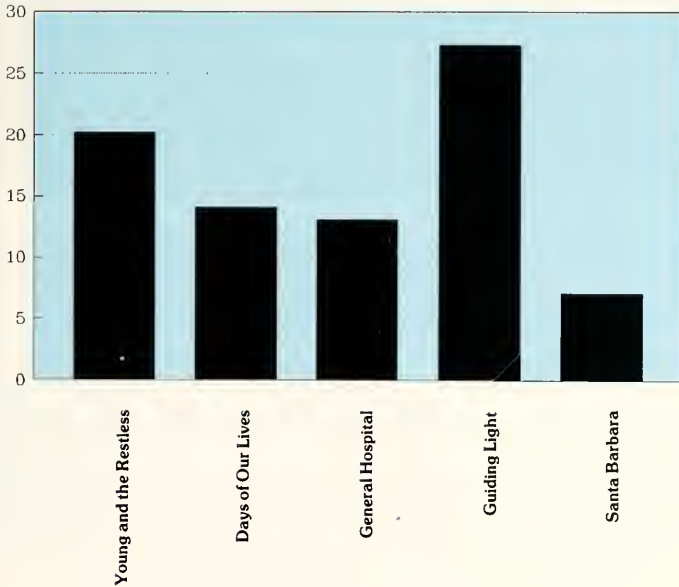

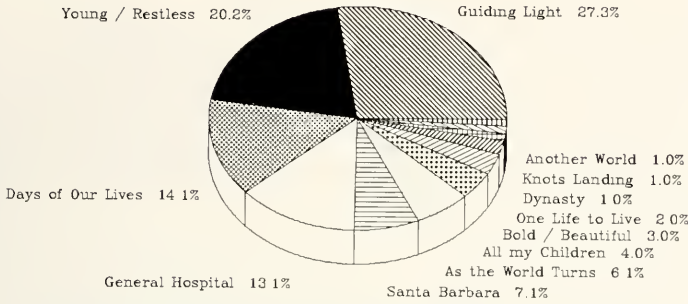

The residents of

McDowell Columns

McDowell Columns' fourth floor was completely renovated several years ago to house female students with very comfortable and attractive rooms. Those selected to live in McDowell Columns enjoy living in the "center of campus" and being near all the facilities and activities.

Parents' Day '88

BACK TO LIFE WITH MOM & DAD

Smiles and hugs were abound on Parents' Day. Students welcomed their parents to Murfreesboro, and parents were able to see their son's and daughter's home away from home. Parents' Day is a day for the parents to come to Chowan, instead of the students packing up and going home.

The day is always filled with a variety of events to keep everyone busy. It started out with the President's Reception, which consisted of meeting the President and Deans of the College. Refreshments were served

during the reception. The parents were also able to meet with professors to find out how their sons and daughters are doing academically. In some cases there were good results, but in others there was a lot of explaining to do.

The parents were invited to attend the football game, and support the Chowan Braves against Lees McCrae. The Braves had a victory of 10-3.

The day ended with the parents having dinner with their sons and daughters, and then departing for home.

Dedication

Dr. and Mrs. Bruce E. Whitaker

Dr. Bruce E. Whitaker
President of the College
1957-1989

Mrs. Esther A. Whitaker
Professor of Religion
1957-1989

Proudly we dedicate . . .

The 1989 *Chowanoka* to a couple who have literally given their lives to Chowan College. Since 1957 they have loved and nourished this institution — he as President and Chief Executive Officer, and she as a professor.

He has been the driving force in the development of the institution, guiding it from a small college that was struggling to survive to its present position of prominence as one of the most respected private two-year colleges in the nation. He has led the college through the successful reaffirmation of accreditation on three occasions. He has been dedicated to the concept of quality Christian higher education. As a result, he has been energetic in his support of the development of the educational program; he has been committed to the provision of adequate facilities and equipment to support the educational program; he has spent thousands of hours in the task of providing adequate funds to ensure the financial viability of the college; he has been determined to build and support a strong faculty and staff; he has believed in the high potential of students. He has been our leader, our mentor, and our friend.

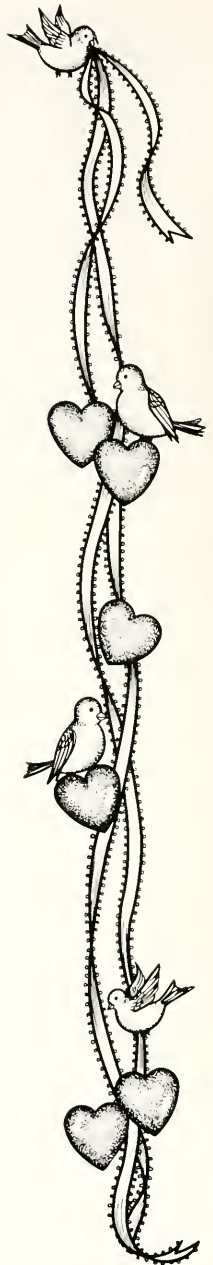

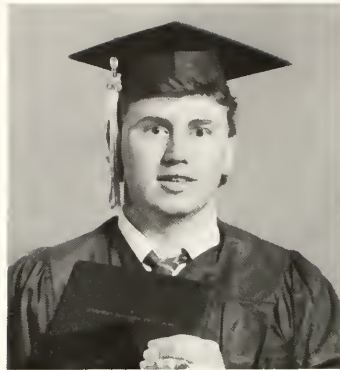

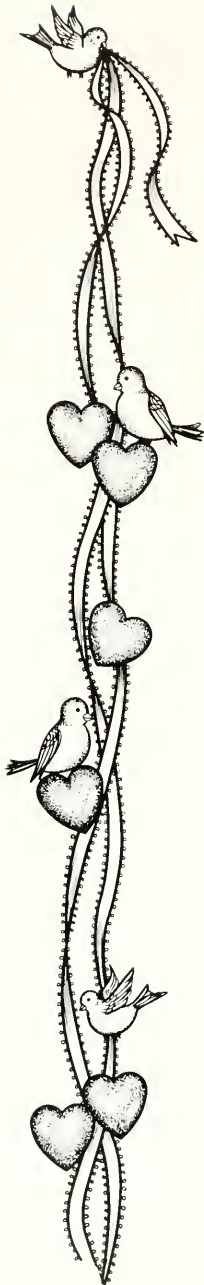

She has been an outstanding faculty member. Her students have found her to be scholarly and insightful. She has demanded high quality work from her students, and she has equally set high standards for her own work. She has spent countless hours in working with students, providing them with guidance and encouragement, taking genuine delight in their successes and feeling genuine sorrow in their failures. She has been, and is, an example for all of us in terms of what it means to be a Christian teacher. At the same time, she has served with poise and dignity as our "First Lady."

This couple has seen the college through good times and hard times. Their faith in and their support of Chowan College and her mission have never wavered. They are an abiding inspiration to all of us. We respect them and love them.

For these and many other reasons, we take delight in dedicating the 1989 edition of THE CHOWANOKA to

DR. BRUCE E. WHITAKER and to **PROFESSOR ESTHER A. WHITAKER**,

and we wish them Godspeed in their retirement. We will miss them, and we will never forget them.

I'll lend you for a little time a child of mine
He said,
For you to love, the while he lives, and
mourn for when he's dead.
It may be six or seven years, or twenty-two
or three,
But will you, till I call him back, take care
of him for me?
He'll bring his charms to gladden you,
and should his stay be brief,
You'll have his lovely memories, as solace for
your grief.
I cannot promise he will stay, since all from
Earth returns,
But there are lessons taught down there
I want this child to learn.
I've looked the wide world over in my search
for teachers true,
And from the throngs that crowd life's lanes,
I have selected you.
Now will you give him all your love, nor think
the labor vain,
Nor hate me when I come to call to take
him back again?
I fancied that I heard them say, Dear God,
thy will be done.
We'll shelter him with tenderness; we'll love
him while we may,
And for the happiness we've known, forever
grateful stay.
But should the Angels call for him, much
sooner than we've planned,
We'll brave the bitter grief that comes, and
try to understand.

"Cry"

Something always happens
a friend dies,
your parents divorce,
you destroy you favorite item,
you lose your girlfriend,
you want to die.

Something happens, you change,
everything's great.

Then again, it happens.

Something bad all the time.

You Cry!

It feels good,
and you cry some more,
sometimes it helps.

"Have you cried lately?"

The Whitaker Years

1957 - 1989

Posing for a picture in the sanctuary of the Murfreesboro Baptist Church are, l. to r.: Garry Bruce, Esther, Dr. Bruce, Barry Eugene Whitaker. The occasion (late 1973) was Garry's receipt of his merit badge as an Eagle Scout.

That academic procession which was to precede the Service of Inauguration of Dr. Whitaker as the nineteenth president of Chowan College, October 11, 1957, stands as representative of many similar occasions thereafter when the college community celebrated the realization of some noteworthy attainment or goal. For example, each of the thirty-three Commencement Exercises over which President Whitaker will have presided (1957-89) at the time of his retirement is a monument to the primary function of the institution which he has served as Chief Administrative Officer — namely, the education of youth for service to God and humankind.

The academic procession winds its way around Pine Walk towards McDowell Columns auditorium, site of the inauguration of the nineteenth president of the college. Dr. Whitaker is the 11th figure from the head of the procession as shown here.

Elected President of Chowan College on March 25, 1957, Dr. Bruce Ezell Whitaker, his wife, Esther, and son, Barry, moved to Murfreesboro in early May of that same year. A second son, Garry Bruce, joined the family in 1959. Thereafter — until the Whitaker sons grew to adulthood and assumed educational/professional responsibilities elsewhere — each member of the Whitaker household has been a familiar figure on the campus and in the community which they have called “home” for over three decades.

The Whitaker Years

Typical scene at one of the semi-annual joint meetings of the Board of Trustees and Board of Advisors. President Whitaker (standing) speaks to a recommendation which is under consideration by the two boards.

President Whitaker has maintained the confidence of a succession of Boards of Trustees who have established sound educational policy and—then—supported and sustained their President in the implementation of that policy. Under this “partnership in education,” total assets of the college have increased from some three-quarters of a million dollars (1957) to over twenty-five million dollars (1989); the annual operating budget from less than \$300,000.00 (1957) to \$8,660,000.00 (1988-89). Student enrollment, which stood at 293 in 1957, had climbed to 966 in 1988-89. In fact, current enrollment represents a “leveling off” to what college officials consider close to an optimum figure, following the attainment of an all-time high matriculation of 1533 students in the fall semester of 1971-72.

Created by authority of the Board of Trustees in 1965, the Chowan College Board of Advisors has assisted the governing board, the President, and the school in interpreting the mission of the college among broader constituencies than she had known and served in former years. Concurrence by the Board of Advisors in decisions of the Board of Trustees has issued in the identification and enlistment of numerous new friends of the college and her mission in higher education. While eligibility for membership on the Board of Trustees is limited by geographical and religious considerations, membership on the Board of Advisors is not restricted in the same way. Current members on the advisory board reside in five different states and are affiliated with several different Christian denominations.

Meeting of the Board of Advisors in Charlotte, North Carolina, shortly after the formation of this group of friends of the college. Seated to Dr. Whitaker's immediate right is Senator Irwin Belk, first chairman of the Board of Advisors.

The Whitaker Years

Dr. Whitaker meets with major administrative officers to discuss matters of common concern. Seated, left to right, in front of the President's desk: R. Clayton Lewis, Dean of Students; R. Hargus Taylor, Chaplain to the College; Ben C. Sutton, Business Manager; Bobby S. Cross, former Director of Development; and B. Franklin Lowe, Jr., Dean of the College.

A part of the secret of Dr. Whitaker's success can be attributed to his ability to attract and retain an administrative staff which - like him - has demonstrated a long-term commitment to the college and her educational mission. Prior to the death in 1988 of Bobby S. Cross, former Director of Development, those administrative officers who are accountable directly to the President of the College for the functioning of the major divisions of responsibility had accumulated a total of 144 years of service to Chowan College. This cumulative total averages out to 24 years per person, when considering the six administrators who are responsible directly to the President for the fulfillment of duties and tasks assigned.

Many faculty members have "come and gone" during the course of the Whitaker years at Chowan. Nonetheless, a major element in the strength of the college lies in the tenure attained by her faculty. The average length of service for current members of the faculty at Chowan — all but one of whom has been employed subsequent to President Whitaker's assumption of the reins of administrative leadership in 1957 — stands at 15.9 years. The cumulative years of service for the 57 full-time faculty members totaled 905 years at the conclusion of the academic year 1987-88.

The Whitaker Years

The reception for freshmen, held early in the Fall Semester of each year, affords the President and some of his associates, the opportunity of "meeting and greeting" each new student who enrolls in the college. Shown at President Whitaker's immediate left is Mrs. Mary Alice Lewis, wife of the Dean of Students.

Welcoming students to the campus community, and providing them with appropriate educational opportunities remains the primary "reason for being" for all that is encompassed in the work of the governing board, the administrative staff, and the instructional personnel of Chowan College. Fall Semester enrollments throughout the course of the Whitaker Years have witnessed over 32,000 students matriculate for college studies — a figure which far exceeds the cumulative enrollment throughout the first 109 years of the history of the college. Moreover, when considering those non-duplicating students who have also enrolled in Spring and/or Summer sessions, the enrollment statistic above would be considerably higher than indicated during the 32-year tenure of our retiring President.

Those members of the Class of 1989 who receive degrees or diplomas from the hand of Dr. Whitaker on May 14 will represent the last in a long chain of graduates to hear those familiar words from his lips: "By authority vested in me, I grant you these...with all the rights, privileges, and responsibilities thereto appertaining."

Since 1957, President Whitaker has presided over 33 Commencement Exercises, involving the awarding of some 5,837 degrees and diplomas. After Commencement Exercises are completed in 1989, Dr. Whitaker will have conferred just slightly less than 5 times the number of academic degrees conferred during the first 109 years in the history of the college.

Graduation Day, May 16, 1976 - William Powell, Oxford, North Carolina, receives his degree and words of commendation and congratulation from Dr. Whitaker.

The Whitaker Years

President Whitaker addresses participants gathered in Marks Hall amphitheatre for one of the Annual Planning Conferences which were conducted on campus, 1966ff.

It was recognized that long-term objectives and goals for an educational institution must be undergirded by long-range efforts to secure financial resources above and beyond student tuition/fees, the annual support of the Baptist State Convention of North Carolina, and the periodic gifts of loyal alumni and other friends. Accordingly, the college's Endowment Committee was revitalized, expanded in size and scope, and challenged to work towards the eventual procurement of a sizeable endowment fund. In the course of the past thirty-two years, the market value of the college's General Endowment has increased from less than \$7,000 to nearly 5.5 million dollars!

Earlier members of Chowan's Endowment Committee give attention to a statistical report related to the future growth of the institution. Pictured, l. to r.: George W. Underwood, Murfreesboro; John O. Askev, Harrellsville; Gilbert T. Stephenson, Pendleton; Dr. Whitaker; Lucille W. Beasley, Colerain; R. Hunter Pope, Enfield; and Cohen W. Paker, Aulander.

As properties were acquisitioned and buildings constructed to accommodate the educational needs of an increasingly large enrollment, operating budgets showed concomitant increases throughout the fiscal years 1957-1958 — 1988-89. The "shoestring" budget for 1957-58 — which failed to meet actual educational expenditures — was less than \$300,000. In each succeeding fiscal year thereafter, budgets have been balanced, educational expenditures per full-time student have increased, and the average salary for faculty members has jumped sevenfold. Chowan's operating budget for 1988-89 stands at \$8,660,000 — with the virtual certainty that the annual audit at year's end will disclose another balanced budget on a receipt/expenditure basis.

Joseph Forbes and Linda Carawan (Class of 1972) present first copy of the 125th Anniversary issue of "The Chowanian" to Dr. Whitaker. Forbes and Carawan had been commissioned to complete a research and writing project related to the college's anniversary year, 1972-73.

The Whitaker Years

Commencement addresses have often been delivered by prominent Baptist leaders. Pictured with Dr. Whitaker on Graduation Day, 1973, are (left) Dr. Owen Cooper, Yazoo City, Mississippi, President of the Southern Baptist Convention, who delivered the commencement address; and (center) Dr. V. Carney Hargroves, Germantown, Pennsylvania, President, Baptist World Alliance, who delivered the baccalaureate sermon.

Establishment of the Oscar Creech Collection in Baptist History, which is housed in a special section of Whitaker Library, represents one aspect of the college's endeavor to preserve and to maintain records of our religious heritage for the benefit of students — and others — who seek greater acquaintance with events, programs, and personalities related to that heritage. One of the earliest acquisitions for this special collection was that of a complete file of the Minutes of the West Chowan Baptist Association — a cooperative alliance of 60 churches located in the counties of Hertford, Northampton, and Bertie. Traditionally, these churches have also been among the strongest advocates and supporters of Chowan's educational mission.

January, 1965 - Official records of the West Chowan Baptist Association are accepted by Dr. Whitaker for permanent housing in the college library. Pictured at Dr. Whitaker's right is the Reverend K.E. Bryant, associational clerk; to his left, the Reverend Oscar Creech, Pastor-Emeritus, First Baptist Church, Ahoskie, who was particularly instrumental in seeing that the college re-opened following its closing, 1943-49.

The Whitaker Years

September 7, 1974 — Chowan's commitment to and continuing appreciation of the Cooperative Program — the unified missions budget plan among Southern Baptists — is demonstrated with the hosting of a Cooperative Program Appreciation Dinner for pastors and other church leaders. Flanking Dr. Whitaker at the head table, l. to r.: The Reverend Bennie Pledger, Pastor, Colerain Baptist Church; Dr. T. Robert Mullinax, Executive Secretary, Council on Christian Higher Education; Dr. Jesse Fletcher, Director of Missionary Personnel, Foreign Mission Board of the SBC; Dr. Billy T. Mobley, Pastor, First Baptist Church, Ahoskie; and Mrs. Billy T. Mobley.

Weeks of Religious Emphasis — although inaugurated at Chowan prior to the Whitaker era — have continued to be something of an annual tradition among students and other members of the campus community. These are intended to supplement the daily role and function of the Chaplain to the College — an administrative innovation which President Whitaker introduced in 1959 — in focusing attention upon religious issues, themes, and practices. Student involvement in such emphases has been encouraged through both chapel/assembly programming, and through opportunity for person-to-person contact with those religious leaders who have been invited to share their faith pilgrimage and understanding among us.

Christian Focus Week, March 5-9, 1962 - found Dr. William Hall Preston, Student Department, Sunday School Board of the SBC, admiring the focus week program with members of the Student Steering Committee. Standing, l. to r.: Allen Casey, Rocky Mount; Roy Mitchell, Hampton, Virginia; William "Buzzy" Cooke, Wilmington, Delaware; Dr. Preston; Larry Stegall, Norlina. Seated, l. to r.: Sandra Simmons, Powhatan, Virginia; Lela "Chinky" King, South Boston, Virginia; and Sue Ruffin, Ahoskie.

The Whitaker Years

October 10, 1988 – Founder's Day Convocation in Helms Center finds Dr. Whitaker flanked by, l. to r.: the Reverend Thomas H. Caulkins, Pastor, Murfreesboro Baptist Church; Dr. B. Franklin Lowe, Jr., Dean of the College; Dr. James M. Dunn, Executive Director, Baptist Joint Committee on Public Affairs; Dr. R. Hargus Taylor, Chaplain to the College; and Gaston Tann, freshman ministerial student. Dr. Dunn was campus guest for a Baptist Heritage emphasis.

Civic, political, and religious leaders from within the State of North Carolina — especially — have been invited to the campus on numerous occasions throughout the tenure of Dr. Whitaker as President of the College. Such visits have served the dual functions of (1) providing student access to personalities who are immediately involved in shaping the course of civic/political/religious affairs within the Region, and (2) affording these leaders the opportunity to witness firsthand the kind of educational community which the college has become and/or aspires to become.

While the frequency of scheduling convocation/chapel/assembly periods has been varied throughout the Whitaker years at Chowan, maintaining the practice of calling students together for periods designed for their value as worship, information, inspiration, or entertainment continues to be built into the weekly calendar of activities expected of all students who enroll at Chowan. An item in the job description of the President of the College notes: "[He] shall preside at...assemblies, but he may delegate these duties to another." Delegating this responsibility has been the norm, given the very demanding schedule of the President. However, he still presides at stated convocations, attends weekly assemblies on occasion, and keeps attuned to what is happening in Turner Auditorium on many occasions when he cannot be physically present.

October 23, 1961 — A sizeable crowd of students and other members of the campus community gather in front of historic McDowell Columns for a brief greeting and words of encouragement from the Honorable Terry Sanford, Governor of North Carolina.

The Whitaker Years

Summer, 1964 — The garden of the Edwin P. Brown Home, Murfreesboro, serves as the site for a reception honoring Franklin Delano Roosevelt, Jr., (2nd from right in photo), who had been invited to Murfreesboro to address a dinner meeting of the Hertford County Economic Development Conference, held in Thomas Cafeteria. Standing to Dr. Whitaker's immediate left is the late Herbert T. Bonner, former congressman from North Carolina's 1st Congressional District.

President Whitaker has long recognized the significant role of the communications media in informing and shaping public opinion regarding events of both passing and lasting import to the college's constituencies and/or potential constituencies. Accordingly, his tenure has been characterized by significant advances in the institution's program of public relations and — especially — in the development of the Department of Graphic Communications. Moreover, some aspect of the "Chowan Story" has been featured in recent years through the weekly "Chowan College Today" program (radio), and occasional programming under the production auspices of one or more of the several television stations which serve the residents of eastern North Carolina and Tidewater Virginia.

Mrs. Peggy Mann, news journalist with WAVY-TV, Portsmouth, Virginia, interviews President Whitaker and Professor Morris Carson, Department of Languages and Literature, with regard to forthcoming events planned in conjunction with Chowan's 125th anniversary year, 1972-73.

The Whitaker Years

A student reception in the old Askew Student Union building finds Dr. Whitaker engaged in table talk with a couple of Chowanians. Prior to its destruction by fire in July, 1981, Askew Student Union had served the campus in a variety of capacities for some 25 years.

The civic spirit of the President has been demonstrated through his readiness to serve on the boards of managers or directors of various corporations and enterprises. He has addressed numerous churches, clubs, and other organizations on behalf of the college and his vision of the kind of educational program which he sought to make available to those youth who elect to begin their higher educational venture here. A consistent member of Murfreesboro Baptist Church and of Rotary International, Dr. Whitaker has also encouraged the members of the faculty/staff to identify themselves fully with the local community through exemplary churchmanship, participation in civic affairs, and as participants in the political process which is a vital part of the American heritage of democracy.

Spring, 1977 — Internationals enrolled at Chowan are the program guests of Murfreesboro Rotary Club — a civic organization which fosters international/intercultural understanding through education. Pictured to Dr. Whitaker's immediate right is Morten Christian Harr, Oslo, Norway, one of a series of Rotary Exchange Students who studied at Chowan in recent years.

The Whitaker Years

November 1, 1969 - Homecoming Day finds President Whitaker ready to escort the reigning Miss North Carolina, Patricia Elaine Johnson, to mid-field for the crowning of Chowan's Homecoming Queen and Princess. The young lads carrying the flowers are Gregg Lowe and Kyle Chamblee, sons of Dr. and Mrs. B. Franklin Lowe and Dr. and Mrs. James M. Chamblee, respectively.

Our President has even been known to place a "friendly wager" upon the outcome of a contest involving his Braves. An avid sports fan who loves to be a winner, he has encouraged his share of athletes on the gridiron, the hardwood, the diamond, the mats, the courts, the track, or on the fairway to "bring home the bacon" - his favorite expression for coming away from a contest with a victory to show for the effort. As suggested by the photo at the right, President Whitaker might even be found guilty of gloating a bit when the Braves have emerged victorious in a game involving particularly "high stakes" in terms of institutional prestige.

November 23, 1981 - Dr. Whitaker claims his winnings - a bag of Mississippi pecans - from rival college president upon the occasion of the Braves victory in the East Bowl football contest.

The Whitaker Years

May 18, 1975 - Commencement Exercises are concluded with the presentation of a Distinguished Alumna Award to Miss Grace Parker, Class of 1910, who devoted many years to public school teaching, and even more years to the teaching of children in the Sunday School of Murfreesboro Baptist Church.

That journey from bewildered freshmen to distinguished alumni may take many a winding turn in the lives of those men and women of the future who will prove themselves to have imbibed, deeply, of Chowan's educational tradition. For these, the names of professors and classmates who "helped along the way" are very likely to be remembered with fondness and deep gratitude. Other "names" of dedicated men and women — who may have remained personally unknown to any given generation of students — will also be numbered among those whose long-term philanthropy contributed significantly to the provision of an educational program which made Chowan a distinctive kind of institution in which to embark upon the higher educational adventure.

September 18, 1988 - Susan Parker Kerr, Class of 1953, pauses for a photograph with Dr. Whitaker on the eve of the announcement that Mrs. Kerr had committed to the college the largest individual gift which has been received throughout the 141-year history of the institution.

The Whitaker Years

Fall, 1964 - President Whitaker looks over the preliminary floor plans for proposed health center with Mrs. W. S. Penny (nee Lola Mae Freeman), Class of 1900. Mrs. Freeman was an alumna, friend, trustee and benefactor, whose support of the college prompted the naming of Penny Infirmary in her honor.

In some cases, three or more generations within a particular family have continued a tradition of love, loyalty, and support for Chowan College which began during the earliest years of the life of the school. The Thomas Family, of nearby Cofield — in memory and in honor of whose members Thomas Cafeteria is named — stands as representative of this type of family loyalty which had sustained Chowan through many difficult earlier days. One legacy of the Whitaker Administration has been the continued involvement of such families in helping to chart the progress and growth of the college far beyond that educational role which earlier generations could have possibly envisioned.

August 25, 1970 — W. A. ("Mr. Will") Thomas — friend, trustee, and benefactor — samples the cake prepared by the cafeteria management for the observance of his 95th birthday. Looking on with admiration are President Whitaker and the Reverend Oscar Creech.

The Whitaker Years

Mrs. Robert F. (Texie Camp) Marks, Boykins, Virginia (center), a daughter of the late Paul Douglas and Ella Cobb Camp, has been a faithful and devoted friend and supporter of Chowan College for many years. Pictured above with Dr. and Mrs. Whitaker, "Miss Texie" has played a particularly significant role in the progress of the college throughout the Whitaker Years.

To be able to explore one's visions for the future of the educational enterprise with those whose expertise and judgement are respected and admired has been the happy experience of President Whitaker throughout his tenure at Chowan. Members of the Board of Trustees, with concurrence of the Board of Advisors, have established broad educational policies, after a thorough exploration of alternatives and consequences related to their decisions. Strong reliance has been placed upon the data which the Administration has amassed in support of such recommendations or suggestions as may have been forthcoming for the consideration of the governing board. Our President, in turn, has relied upon the wise counsel of numerous colleagues, associates, and friends as he sought to provide executive leadership for the college he has served since 1957.

Among those trusted confidants and friends upon whom Dr. Whitaker has relied for counsel and advice was the late Benjamin Coleman Fisher, a former Executive Director of the Education Commission, Southern Baptist Convention, who with his wife, Sally, chose to make their retirement home in Murfreesboro.

The Whitaker Years

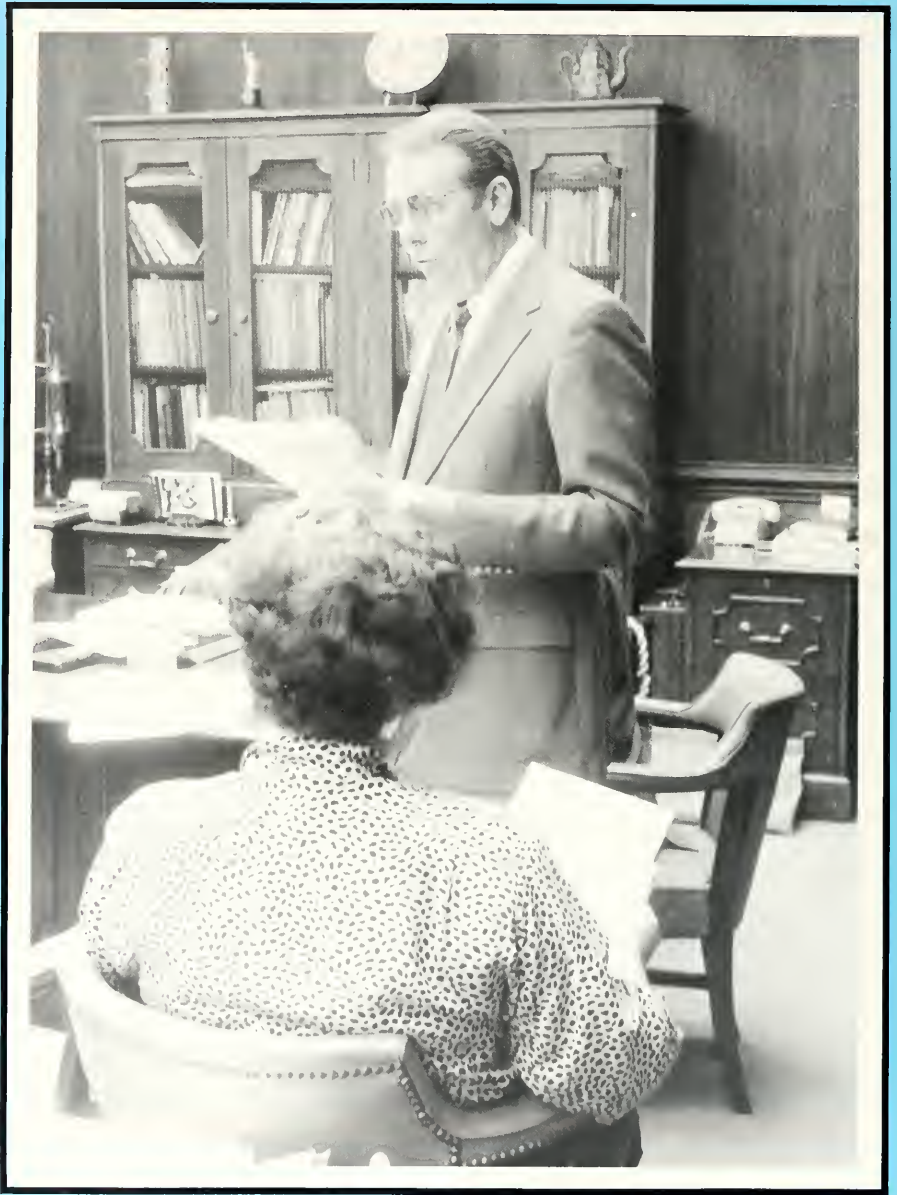

President and Mrs. Whitaker pose for a photograph near the entrance to Whitaker Library — a structure named in recognition of the fine leadership which Dr. Whitaker has evidenced on behalf of the college.

Retirees can sometimes be quickly forgotten, as they lose contact with those institutions they served — and their former “employers” with them. Not so with the Bruce Whitakers! Not only do we expect to see them frequently on campus. But, in a very special sense, we are aware that they will continue to “look out” for our interests from the vantage point of their lovely new residence on the southwestern shore of Lake Vann. This residence — a gift of the Board of Trustees, Board of Advisors, and other friends — was provided the First Family in view of their long-term devotion to the mission of Christian higher education as envisioned and pursued at Chowan College.

Number 3, Quail Hollow Drive, as viewed from across Lake Vann. This retirement home — a project authorized by the Board of Trustees/Board of Advisors in 1984 — was ready for occupancy by the Whitakers in early 1987.

ORGANIZATIONS

Now that's LIFE

The Outing Club

Eddie Perillo, Jack Ryan, Lori Nold, Keith Baines, Mark Genshaw (Sponsor), Doua Lee, Stephen Peple, Pam Mullins, Danielle White.

The Outing Club is an organization for students interested or who enjoy outdoor activities. The club has planned camping trips in the surrounding areas on weekends. Activities planned on trips are: hiking, canoeing, fishing, cook-outs, and camp fires.

BSU

The Baptist Student Union and Campus Christian Fellowship is an organization which welcomes and embraces students from all denominations. The primary purpose is to foster and provide worship, Bible study, mission opportunities, and fellowship among those who share in the activities, and throughout the large campus community. Directed by Student Officers Council and with the Chaplain of the college as the advisor, the group participates in weekly general meetings, a Wednesday morning prayer breakfast, and monthly visitations to Pinewood Manor Rest Home in nearby Ahoskie. Broader contact with other Christian students and opportunities for mission engagement beyond the local campus setting are provided through the organizations cooperative relationship with the campus ministries programs of the Division of Youth Campus Ministries, and Baptist State Convention of North Carolina.

DAY STUDENTS

Most of the students at Chowan live in one of the campus dorms. However, some students attend Chowan that drive, walk, or ride bikes daily to the college. These students are considered as Day Students. The Day Students meet at the end of Wednesday assemblies with their advisor, Mrs. Batchelor to conduct the business of electing representatives for the Homecoming and Spring Festival Courts. They also organize various other fund raising activities from which the proceeds are put into a scholarship fund. At the end of each year, the freshmen day student with the highest academic average and who participated in the Day Students activities receives the scholarship. The Day Students, because they do not live on campus, they may not participate in as many activities as resident students. Even so, they are a vital part of our campus and academic life.

International Students Add Culture

International students are an important part of Chowan College environment. There are presently 40 students on campus from foreign countries such as Japan, Thailand, India, Kenya, Nigeria, Jordan, England, The Netherlands Antilles, and the Bahamas. These students major in a variety of programs such as fine arts, liberal arts, printing technology, photography, science, math, music, pre-engineering, business administration, computer programming and applications, and pre-athletic training. As can be expected, foreign students lend to the campus a cosmopolitan atmosphere not readily seen on small campuses.

The advisor to international students is D.H. Nicholson, Registrar to the college. He is a member of the National Association for foreign Student Affairs and also keeps up with the Immigration and Naturalization Service regulations governing international students at colleges and universities in the United States. Mr. Nicholson says that the staff and faculty of Chowan College want the international students to have a secure and successful stay on campus. He states further: "We all know that international students are important for Chowan College, and we fully appreciate the unique contribution each of them makes to this community. We value learning about their cultures as they value learning about ours."

The international students are: Aderonke Forson, Nigeria; Soichi Akachi, Japan; Junko Fujisawa, Japan; Kiyomi Hasegawa, Japan; Mika Hashimoto, Japan; Akiko Iida, Japan; Tsuyoshi Ikeshita, Japan; Fumuhiro Imai, Japan; Horoaki Ishikawa, Japan; Yuko Ishikawa, Japan; Yukari Ito, Japan; Masato Ito, Japan; Hitomi Kimura, Japan; Takaki Matsuoka, Japan; Shin Moritake, Japan; Tatsuhiro Murakami, Japan; Tamotsu Nagasaka, Japan; Akihiko Nakamura, Japan; Miwako Ohno, Japan; Hiroko Sai, Japan; Hiroko Sakai, Japan; Kumi Sano, Japan; Hiroshi Sasaki, Japan; Daisuke Sawa, Japan; Yasuyoshi Sekita, Japan; Akihito Shiimura, Japan; Atsuko Shimowada, Japan; Kaori Tamura, Japan; Chieko Ukita, Japan; Mariko Umeuchi, Japan; Manabu Wada, Japan; Shigemitsu Yamaura, Japan; Tareq Alhatou, Jordan; Suwong Saekim, Thailand; Ronapoom Sangkawatana, Thailand; Paitoon Taechavacerasiri, Thailand; Janerose Kinyanjui, Kenya; David Towett, Kenya; Thomas Kolen, Netherlands; Rupal Desai, India.

Data Processing Management Association

The Chowan College Chapter of the Data Processing Management Association (DPMA) was created to provide students with opportunities to associate with other students who have an interest in information processing, to interact with data processing professionals, to explore career opportunities in the field, and to tour computer facilities in the area. The Chowan College chapter of DPMA is sponsored by the International Data Processing Management Association and the Tidewater Chapter of Data Processing Management Association.

Art club for all with ability and interest

Members of the 1988-89 Art Club are: Jackie Wilson, Julie Brooks, Valerie Lawton, Todd Dollar, William Thompson, Bill Ratliff, Holley Bailey, Mari White, Paige Thaxton, Sandy Umhoefer, Danny Vinson, Greg Burken, Todd Worley, Heather Herrington, Lara Tate, Heather Adams, Curtis Quick, Susan Edward, Mike Frye, and Tim Johnson.

Officers include Dawn Crutchin, president; Todd Thompson, vice president; Carla Osbourne, secretary; and Enid Jenkins, treasurer.

Voices Of Inspiration

The purposes of this gospel group are: (1) to create an atmosphere in which members may mature in their religious beliefs; (2) to offer Christian fellowship and song; (3) to provide community service.

Current officers are:

Susan A. Meadows, President
Pamela McIver, Secretary-Treasurer
DeWayne May, Choral Director

The *Voices of Inspiration* plan a Spring Recital in Daniel Hall. Dr. Carl L. Garrott is the college sponsor.

ABOVE: Members of the Voice of Inspiration pose for a photograph with their advisor, Dr. Carl Garrott. **BELOW:** The group provided several songs at the annual Christmas Tree Lighting ceremony in front of Whitaker Library.

Yearbook

Seeking to compile a volume which will record the 1988-89 school year, the yearbook staff worked many, many hours in producing CHOWANOKA. The staff had the responsibility of contacting every club, organization, residence hall, athletic team, and all other facets of college life to obtain photographs and information to reflect this every year's history.

Chowan Dancers

Many classes, clubs and organizations provide fun as well as instruction and the Chowan Dancers are no exception. Under the direction of Mrs. Marla Hunnings, the group learns body conditioning, fundamental dance movements, and basic concepts of dance composition. Improvisation and creativity are also an important part of the twice a week conditioning. After body conditioning, the dancers prepare for concerts and presentations.

Orientation Leaders

Selected by recommendations from faculty and staff under the direction of Mrs. E. Tripp, the Orientation Leaders of Chowan College make the first impression of college life to new students. Three orientation sessions occur throughout the summer in which these returning sophomores attend and lead newcomers to Chowan College. Throughout orientation the leaders are easily spotted by their Chowan College T-shirts that conveniently display their names. During each of the sessions the leaders are expected to work with groups of students, help give

placement tests, and set up refreshments for students and parents. They also serve the new students by answering questions about academic and campus life with an experienced student point of view.

Orientation brings a closer look at Chowan for the new students. These student leaders are generally the first friends and first impression newcomers receive. Orientation is a lot of hard work but the reward of new friendships and the pride of helping others feel at home with Chowan, makes all the work worthwhile.

Phi Beta Lambda (Mu Zeta Chapter) is an organization for all students enrolled in business programs. It is a professional organization with state and national affiliations whose primary purpose is to develop the business and civic leadership qualities that will enable young men and women to be highly successful in the competitive world of work.

The local chapter of PBL is known as the Mu Zeta Chapter. It was organized during the 1966-67 academic year.

The purpose is to provide opportunities for post-secondary and college students to develop vocational competencies for business and office occupations and business teacher education. PBL is an integral part of the instructional program and in addition, promotes a sense of civic and personal responsibility.

The specific goals of PBL are to:

Develop competent, aggressive business leadership

Strengthen the confidence of students in themselves and their work

Create more interest in and understanding of American business-enterprise

Encourage members in the development of individual projects which contribute to the improvement of home, business, and community

Develop character, prepare for useful citizenship, and foster patriotism

Encourage and practice efficient money management

Encourage scholarship and promote school loyalty

Assists students in the establishment of occupational goals

Facilitate the transition from school to work

Living it up in Phi Theta Kappa!

In 1987, Phi Theta Kappa set new records for the most chapters chartered in a year, 31; and for the most members initiated, 32,500.

Since the founding year, 1918, some 700 Phi Theta Kappa chapters and alumni chapters have spread across the nation, carrying the ideals of scholarship and service from the Atlantic to the Pacific and even beyond-to Alaska, Hawaii, Puerto Rico, Pago Pago, and the Canal Zone. Hundreds of college campuses and the lives of hundreds of thousands of students have been enriched by the vibrant Phi Theta Kappa spirit. With the current focus on programs of two year colleges, Phi Theta Kappa will give increasing recognition and enhancement to the role of the community/junior college scholar.

Phi Theta Kappa exists to recognize and to encourage scholarship among students in American community/junior colleges. The fraternity seeks to provide opportunity for the development of leadership and service, an intellectual climate for the exchange of ideas and stimulation of continuing academic excellence, encouragement of scholarships for advanced education, and personal enrichment of the student through unique educational experiences and fellowship with other scholars.

The Chowan College Chapter of PTK worked hard to raise money by selling oranges. The funds raised by sales were used for a service project for a family in the Murfreesboro area.

S.A.D.D. —working to save lives!

Members of the Chowan S.A.D.D. chapter posed for the photographer following the fall rally held in Lakeside Student Center. Officers of the chapter are Chris Robbins, President; Rebecca Black, Vice-President; JoAnna Abbitt, Secretary; Dawn Tyler, Assistant Secretary; and Linda Sauers, Photographer. Miss Teresa Bradshaw served as advisor to the chapter.

Mrs. Lonise Bias, mother of Len Bias, who was a basketball star at the University of Maryland, makes a dynamic address to the student body.

The Chowan Charter of Students Against Drunk Driving (S.A.D.D.) is the first of any North Carolina college or university, and is one of the largest organizations on campus with approximately 40 members.

The club worked very hard during the year to spread messages through the distribution of literature and through an all-day S.A.D.D. Rally in Lakeside Student Center, and McDowell Columns auditorium. Students from the college, along with Hertford County public school students, participated in the many events offered. Featured were workshops, demonstrations, exhibits, and speeches. The highlight of the Rally was a dynamic, thought provoking address by Mrs. Lonise Bias, mother of Len Bias who was a basketball star at the University of Maryland prior to his death as a result of drug use.

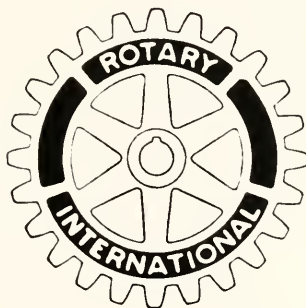

The goals of the Chowan S.A.D.D. Chapter is the same as for the national organization in that members seek to eliminate the drunk driver on the highways and thus save lives. Further, the club seeks to alert students of the dangers of alcohol use; conduct alcohol awareness programs; and provide peer counseling programs to help students who may have concerns about alcohol.

Students gave testimonies during the Fall Rally to encourage their fellow students to refrain from the use of alcohol and illegal drugs.

Rotaract - Developing Good Citizenship

Rotaract, an affiliate of Rotary International, is for young adults between 18 and 28 years of age. The Chowan College Rotary Club is sponsored by the Murfreesboro Rotary Club. The purpose of Rotaract is to develop leadership and responsible citizenship through service to the community, to advance the cause of international understanding, and to promote recognition and acceptance of high ethical recognition standards as leadership qualities and vocational responsibilities. Rotaract has spread to more than 105 countries with over 5,000 clubs and 104,000 young men and women as members.

Outstanding students named to '89 edition of Who's Who

The 1989 edition of *Who's Who Among Students in American Junior Colleges* will contain the names of 33 students from Chowan who are members of the 1989 graduating class. They join other students in being recognized as the most outstanding campus leaders in two-year institutions.

Students are selected by an anonymous campus committee, which considers the students' academic achievement, service to the community, leadership in extra-curricular activities and potential for future success. Those students recognized join an elite group from more than 1,500 institutions throughout the United States and several foreign countries.

The Chowan students selected for 1989 are: Martin Aubre Agee, Kristen D. Bair, Stephen C. Baker, Jr., William C. Bridgers, William Calvin Burns, Gary Duane Campbell, Karen Anne Davis, Sharon Rose Davis, David William Edwards, Yolanda Kay Faile, Jennifer Grooters, John Marshall Hazelton, Jonathan Roy Hoggard, Christina Lynn King, Kevin Scott Matheson, Daniel Keith McGinniss, Lisa Hope Mizelle, Pamela Anne Mullins, Carla Ruth Osborne, Donna Jo Phillips, Robert E. Prince, II, Edna Annie Ruffin, David Hardy Sanders, Gordon Lee Saunders, Jr., Richard Jeffery Seymour, Carol Renee Stansbury, Robert Wilson Stewart, Danielle Marie White, Corey Percell Winston, Sonja Carol Woods, John Edward Wooten, Jonathan Mark Wynns.

The Science Club is composed of, front row, left to right: Dawn Hurdle, Martha Sodergren, Kristen Bair. Second row: Cary Fleming, Martin Ayer, Kevin Matheson, Gary Fleming. Back row: Jeff Seymour, Gef Fisher, and Gilbert Tripp, faculty advisor.

Science Club makes life experiment

The Science Club is a campus organization open to all students interested in the field of science, with Professor Gilbert A. Tripp serving as faculty advisor. The club sponsors field trips and other activities geared to stimulate an interest in and to enhance an understanding of science.

The club visited a warm water National Fish Hatchery in Edenton during the fall semester and witnessed first hand the raising of Striped Bass. The declining population of this species of fish over the years has become a problem of great concern. The work being done to resolve the situation was very interesting and stimulating to the club members.

Last spring, the Science Club purchased a plaque, which is displayed in the lobby of Camp Hall, to honor the freshmen science student who receives the Raymond Science Scholarship each year. The club also sponsored a pig picking for Phi Theta Kappa, the Baptist Student Union, and the faculties of the Science, Mathematics and Religion departments. This occasion was a tremendous success with good food and plenty of wholesome fellowship.

The officers of the club are, left to right: Jeff Seymour, president; Martha Sodergren, secretary; Kristen Bair, treasurer; and, Kevin Matheson, vice president.

Student Government Association

Officers of the Student Government Association for 1988-89 are, seated, left to right: Bob Glass, secretary; Gordon Saunders, treasurer. Standing: Bill Burns, social co-chairman; Jennifer Grooters, Social Events Chairperson; Angela Croom, auditor; Dannelle White, social co-chairperson; Keith McGinnis, Historian; Fred Hampton, parliamentarian; and Miss Elizabeth Stark, advisor.

The Executive branch and Legislature of the 1988-89 Student Government Association is composed of, left to right, seated: Bob Glass, Pam Mullins, Lenzy Vibbert, and Gordon Saunders. Standing, Dr. John Davis, advisor; Lenn Long, Wendy Holland, Karen Howard, Jennifer Grooters, Greg Burken, Angela Croom, Bill Burns, Dannelle White, Heather Harrington, Keith McGinnis, Ginger Council, Freddie Hampton, Michelle Schlage, Chris Robbins, and Miss Elizabeth Stark, advisor.

The Student Government Association provides students the opportunity to become actively involved in the planning and execution of college sponsored events. Students are allowed to voice their opinions and recommendations to the college administration through the three judicial branches which are executive, legislative, and judicial.

The SGA is responsible for implementing Homecoming, Parents' Day, Spring Festival and other extra-curricular activities and events for student participation. Other activities include movies, dances and concerts. During the current academic year, the Fat Ammons Band played for a Fall Concert in Squirrel Park, and Redymix was the main attraction during the 1988 Homecoming festivities. Also appearing was John Lectrec, a well-known hypnotist, who fascinated the audience during his performance in Turner Auditorium.

The Student Government Association also hosted a visit of The American Repertory Theatre, with a Mark Twain production, "The Dairy of Adam and Eve."

Pam Mullins, right, president of the SGA, greets a visiting parent during the fall Parents' Day reception. The occasion was one of the most successful Parents' Day in several years.

Alpha Mu Gamma

National Foreign Language Honor Society KAPPA SIGMA Chapter

Alpha Mu Gamma is a national honor society whose purposes are: (1) to recognize achievement in the field of foreign languages; (2) to stimulate a desire for linguistic attainment; (3) to encourage an interest in the study of foreign languages, literatures, and civilizations; and (4) to foster sympathetic understanding of other peoples and international friendship.

Current members are:

Jacob L. Dickens III
Jennifer L. Grooters (President)
Kevin S. Matheson (Secretary-Treasurer)
Lisa H. Mizelle
Linda C. Moore
Sylvester Terkey (Vice-President)
John E. Wooten

Alpha Mu Gamma will sponsor the 1989 Administration of the National Spanish Contest for area high school students, and will show two foreign films during the Spring Semester. Dr. Carl L. Garrott is the college sponsor.

S A R S

The Student Admissions Representatives is a group of student volunteers who provide a valuable service to the college admissions program and they have come to be recognized as an outstanding asset to Chowan. The SARs give much of their out-of-class time to conducting tours of the campus and facilities for prospective students and their parents. The students give generously of their leisure time to assist the Admissions staff and do so at any time they are requested. Under the direction of Miss Cynthia Lawson, the SARs also assist with special events on campus such as "Preview Day" and "Scholarship Day".

Student Admissions Representatives for 1988-89 are, back row, left to right: Susan Stephenson, Shannan Worley, Gale Graham, and Carla Osborne. Front row, Yolanda Faile, Edna Ruffin and Karen Davis. Other SAR members not pictured are Lenzy Vibbert, Sandy Perry, Lisa Sampson, Trilliss Campbell, John Wooten, John James, Kim Soter and Michael Shipley.

COLLEGE

CHOIR

The Chowan College Chorus is made up of students interested in choral music. The chorus rehearses 3 times a week and performs music of varying types, ranging from works by the great classical masters to contemporary rock, from sacred to secular, from serious to lighthearted. Any student may join, no prior experience is required. The chorus presents two public concerts each year, one in the fall and the other in the spring.

The Chowan Touring Choir is a group of approximately 16 singers selected from the College Chorus. This smaller ensemble presents numerous programs off campus throughout the year and takes a week long tour immediately following the end of school in the spring semester. This tour over the past years has included states up and down the east coast.

ALPHA BETA GAMMA

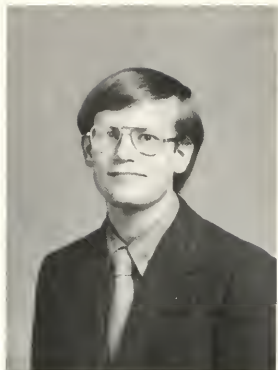

Beta Tau Chapter

Alpha Beta Gamma is a National Business Honor Society, established in 1970 to recognize and encourage scholarship among college students in business curricula. To achieve this goal, Alpha Beta Gamma provides an opportunity for the development of leadership and service, an intellectual climate for exchange of ideas, lively fellowship for scholars, and stimulation of interest in continuing academic excellence. Since its founding, over 15,000 students from public and private colleges have been initiated in the society.

To be eligible for membership in Alpha Beta Gamma, a student must be enrolled in a business curriculum in a junior or community college or a two-year accredited program with a college or university and must have established academic excellence of a 3.0 QPA on all work attempted.

Alpha Beta Gamma was organized on the campus of Chowan College in April 1988, with 13 charter members. Mrs. Renee Drake and Ms. Pat Edwards serve as sponsors of the organization.

Smoke Signals

"An informed campus is a better campus" served as a motto for the student newspaper staff as they worked to publish *Smoke Signals* during the past year. Under the direction of Mr. Stephen Bowman and a class in Publications Workshop, the newspaper published articles of current interest as well as numerous editorials and opinion columns.

Now that's LIFE

FOOTBALL

The Chowan College Braves and veteran Head Coach Jim Garrison finished the 1988 regular season with a 604 overall record and a 4-1 mark in the Coastal Conference. The Braves finished the regular season 10 points from an undefeated season as the Braves dropped 4 cliffhangers. The Braves lost 3 games by a field goal and one game by an extra point, as Chowan flirted with greatness, but came up a bit short.

The Braves were lead all season by the "Great Spirit" defense, named after the 3 Guilford College Quakers, Dan Surface, Charles Arrington and Marc Scott who coached the defense. The "Great Spirit" allowed only 63 points all season, recorded 3 shutouts and only had 3 teams score touchdowns all season. The "Great Spirit" gave up only 5 touchdowns all season, 3 through the air, and 2 on the ground. At mid-season Chowan ranked 3rd in the NJCAA against the run and 8th in total defense. The defensive leader and team captain was All American candidate, linebacker George Koonce (New Bern), who had 70 solos and 52 assists for 122 total tackles. Koonce also recovered 3 fumbles, knocked down 3 passes, intercepted 1 pass and had 1 sack.

Offensively Chowan was lead by 3 tailbacks, Brian Hamm (Clifton Forge, VA), Butch Moses (Lancaster, SC) and Ervin Bryson (Abbeville, SC). Hamm lead the Braves with over 600 yards, and 5 touchdowns, while Moses had 521 yards and 6 T.D.'s and Bryson added 270 yards. Tight end Craig Thompson caught 6 passes for a 31.0 average per catch and scored 3 touchdowns.

Chowan struggled offensively all season, especially passing for touchdowns, but the Braves tailbacks was a threat to score from anywhere.

The Braves entered the East Bowl after dropping 2 heart-breaking losses, 6-3 to Montgomery and 13-10 to North Greenville. Montgomery kicked a field goal late in the 4th quarter while North Greenville broke a 10-10 tie with 21 seconds left.

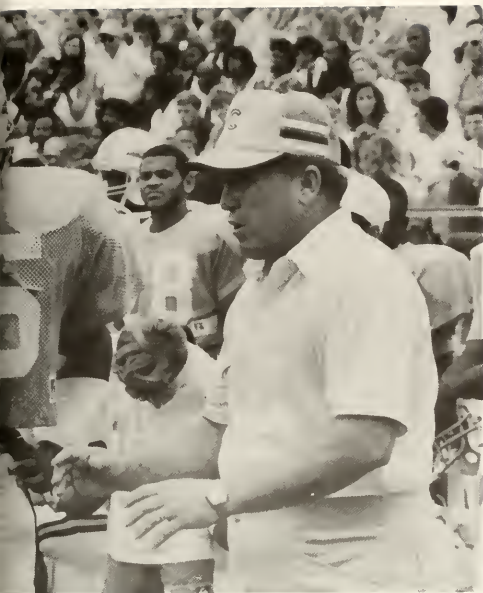

Coach Garrison and team were excited about the East Bowl and to the 1st Bowl game since 1981. The Braves defeated Dean Junior College by a 50-7 score. Chowan set 9 new East Bowl records in that game.

Winning Ways Continued in Basketball

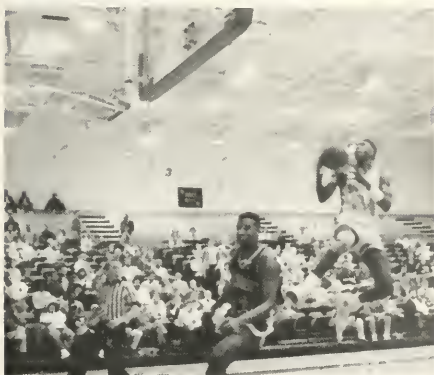

Billy Coles goes up for the jump ball to begin another contest in Helms Center.

At the beginning of his ninth year as head coach of the basketball squad, Coach Bob Burke brought together a strong team for the 1988-89 season. Pictured above, seated, left to right, are: Taro Knight, Keith Ferris, Steve Douglas, Warren Avery, Jeff Whitaker, Tabarris Hamilton, and Terry Massey. Standing, left to right: Head Coach Bob Burke, Bernard Terrell, Phil Wood, Robert Clark, Billy Coles, Roger Tabb, James Doggett, Dean Houpe, Assistant Coach Mike Haverty, and Manager Jimmy Burke. The team sought to improve on the 28-6 record of the 1987-88 squad as well as strengthen Coach Burke's eight year record at Chowan of 205 wins and 51 losses.

Students Come Alive to Support Braves to National Ranking

The Chowan Braves finished the 1988-1989 season with a 25-7 record, a 78 percent winning edge. Chowan finished 13-3 in Region X of the NJCAA and 9-3 in the first season of the Carolinas Junior College Conference. The Braves averaged 88.2 points per game offensively, while allowing 72.7 points on defense. Chowan hit 52% of its field goal attempts and 69% of its free throws, averaged 32.6 rebounds, made 677 assists, 403 steals, and blocked 79 shots.

Sophomore center, Billy Coles, "Mr. Inside", and Sophomore guard Terry Massey, "Mr. Outside", were both named 1st Team All-Region X and 1st Team All-Conference. Coles played in 31 games, averaged 22.5 points, and 8.0 rebounds per contest. The 6'8" center hit 62% of his field goal attempts and 71% of his free throws, had 53 assists, 67 steals and blocked 27 shots. Terry Massey averaged 17.3 points and hit 48% of his field goals and 68% of his free throws. The 6'2" guard had 73 steals, 71 assists, and hit 64 3-point shots.

In addition to Coles and Massey, Chowan will also lose sophomores, Tabarris Hamilton, Jeff Whitaker, and Dean Houpe. Hamilton, a starter at forward averaged 12.5 points, Whitaker, a back-up point guard, averaged 3.8 points and Houpe, a reserve forward, averaged 2.6 points per game.

Freshman Bernard Terrell with a 13.1 scoring average and guard Taro Knight at 7.4 will be the top two returning lettermen for next season. Terrell averaged 7.5 rebounds per game, while Knight had a team leading 196 assists for a 6.1 average per game.

Conference Co-Champions Region X Co-Champions

The Chowan Braves ended the 1988-89 season with a 25 and 7 overall, 13-3 in Region X and 9-3 in the Carolinas Junior College Conference. Chowan's season ended on a disappointing note as the Braves were upset by Spartanburg Methodist 67-65 in the semi-finals of the Region X Tournament.

The Braves ended the regular season with one of the best games ever played in the Helms Center, and 89-87 loss to North Greenville. The Mounties came to Murfreesboro with a 9th place National ranking and a 26-3 overall record. Chowan led 35-30 at the half, but North Greenville hit 5, 3 point bombs in the second half to get the hard-fought victory. Sophomore Terry Massey was the game's leading scorer with 24, Taro Knight had 20, Sophomore Billy Coles added 19 and Bernard Terrell scored 12. The loss left Chowan and North Greenville as co-champions in Region X and co-champions in the conference.

In the 2nd round of the 12 team Region X tournament, Chowan took on arch-rival Louisburg and put the Hurricanes away by a 67-59 score. The Braves led 31-29 at half-time and defense proved to be the difference in a very physical contest. Terry Massey had 17, Billy Coles and Bernard Terrell both scored 16 and Tabarris Hamilton with 10 led Chowan to victory.

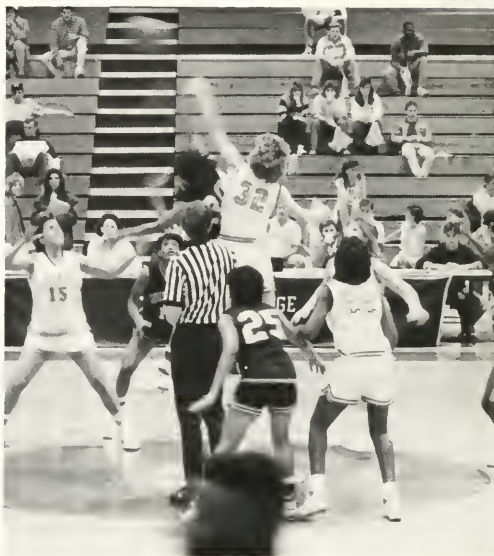

In the semi-final action, Chowan playing its 3rd game in 5 days, gave out of gas down the stretch to lose by 2 to Spartanburg Methodist. The Braves had a 9-point half-time lead, but could not break away and the dream of back to back trips to Kansas ended in Louisburg.

The 1988-89 Lady Braves

In his second year as head coach of the girls' basketball team, Rene Osborne brought together a very competitive team for the 1988-89 season. They are, front row, left to right: Sharon Carlisle, Joy Albritton, Veronica Bostic, Doris Kelly, Connie Ellis, Dalyn Seay, Sheri Thorpe, and Cyndi Earls. Standing, left to right: Manager Holley Blythe, Manager Jack Ryan, Michelle Carpenter, Marcia Merena, Bobbi Fluellyn, Tammy Harvey, Christine Belgado, Rebekah Reasor, Christy Hill, and Coach Rene Osborne.

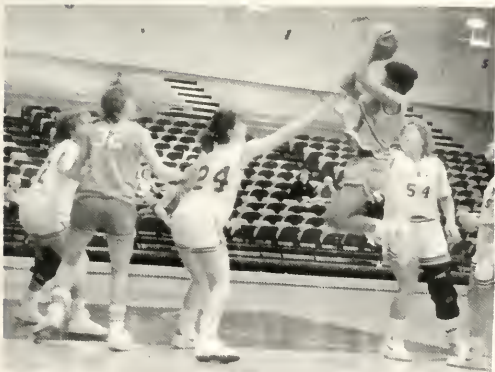

The Lady Braves control the jump ball to begin a contest in the Helms Center and open the new basketball season.

A Learning Season

The Chowan Lady Braves, under the guidance of second year head coach Rene Osborne, faced a tough schedule against strong junior college teams comprising the new Carolinas Junior College Conference, and finished the 1988-89 season with a much improved record of 7 victories and 16 losses. After a late season injury to Sophomore guard Christy Hill, the team has an all-Freshman starting line-up. The freshman players all played exceptionally well this year, to gain needed experience. They will form the nucleus of a very strong squad next season.

After completing regular season play, the Lady Braves traveled to Brevard to enter the Region X Tournament and faced the strong, number one seeded team, Anderson College. Even though the squad was eliminated in the first contest, 80 to 54, the five freshman starters were outstanding in the battle. Tammy Harvey, Rebekah Reasor, Bobbi Fluelyn and Michelle Carpenter all scored in double figures, with teammate Doris Kelly scoring also.

With the strong Freshman class returning with much experience, coupled with a good recruiting year, the Lady Braves should be a very strong challenge for Region X honors next season.

Top, Coach Osborne gives careful instructions to a Lady Brave before she enters the game.
Bottom photo, Doris Kelly pulls up for the 15-footer and scores a basket for the team.

Softball

This years' Lady Braves softball team is a very close knit group of young women. The team predominately consists of freshmen but what they lack in experience, they make up for in talent. Coach Osborne expects a winning season again this year. Though the team has its weaknesses, it's strong-willed and high spirited members are making a great start toward that winning season.

Chowan Wrestlers Finish Season Nationally Ranked

The Chowan Braves team finished the 1988-89 season as the 11th best Junior College in the country. Head Coach Jody Taylor took 4 wrestlers to the NCJAA National Tournament in Chicago, Illinois and returned to Murfreesboro with two All-Americans.

Sophomore team Captain Daron Heggie won 4 matches and lost 2 in the two-day tournament to finish 5th in the country. Heggie finished the season with a 33-8-1 record and a 57-20-1 record over two years.

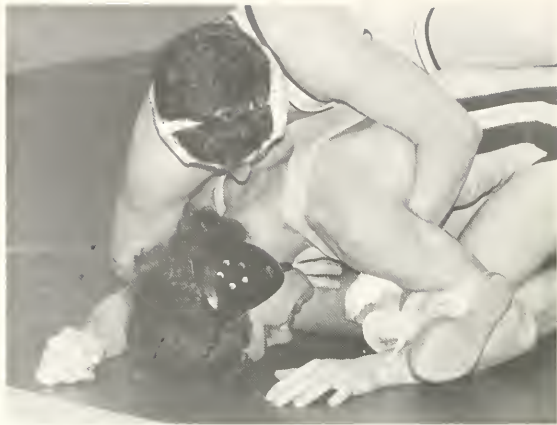

Heavyweight Freshman Melvin Crosby became the second highest finisher in Chowan history when he became the National runner-up in Chicago. On the way to the Finals, Crosby defeated Robby Benjamin (1987) National Champion, and John Hikely who won the award for the most falls in the tournament. In the Finals, Melvin wrestled Paul Weltha from Iowa Central and was defeated on a last second takedown 5-4. Crosby finished the rookie season with a 29-7 record and All-American Honors.

Joining Heggie and Crosby in Chicago were James Wall finished the regular season at 26-6-2, 6-0-1 in conference action and he was 1 and 2 at Chicago. David Wilderman was 16-3, 9-2 in dual matches, but he went 0-2 at the Nationals.

The Braves finished the regular season 12 and 4 ranked 17th, but Chowan surprised all the experts with the 11th place finish, second highest in the schools history. In the two years in Murfreesboro, the Braves under Taylor have a combined record of 25-6-1 in dual matches. Chowan has had 4 Mid-Atlantic champions, 9 National qualifiers, a National runner-up, 2 academic All-Americans and an 11th place national ranking.

The coach holds the trophy won by the squad at the national meet.

All-Americans

George Koonce, a 6'2", 235 pound middle linebacker helped to lead the Braves to a winning defensive season. Defensive coordinator Dan Surface calls Koonce "a natural linebacker." By the end of the season he had made 74 solo tackles and 57 assisted tackles for a total of 131. He had one interception which he ran back for 48 yards, 3 fumble recoveries, 1 quarterback sack, and knocked down 3 passes.

Daron Heggie, a 164 pound sophomore team captain, won 4 matches and lost 2 in the National Tournament. Heggie placed 5th in his weight class, making him only the 8th wrestler in Chowan history to receive All-American honors. He finished the regular season with 33 wins, 8 losses 1 tie and a career record of 57-20-1.

Melvin Crosby was 2nd highest national finisher in Chowan's history and only the 9th All-American. On his way to the finals in the National Tournament he defeated the 1987 Junior College National Champion. In the finals Crosby met last year's runner-up Paul Weltha from Iowa Central, who scored a last second takedown to defeat Crosby 5-4. Crosby finished the season 29-7 and will be back next year.

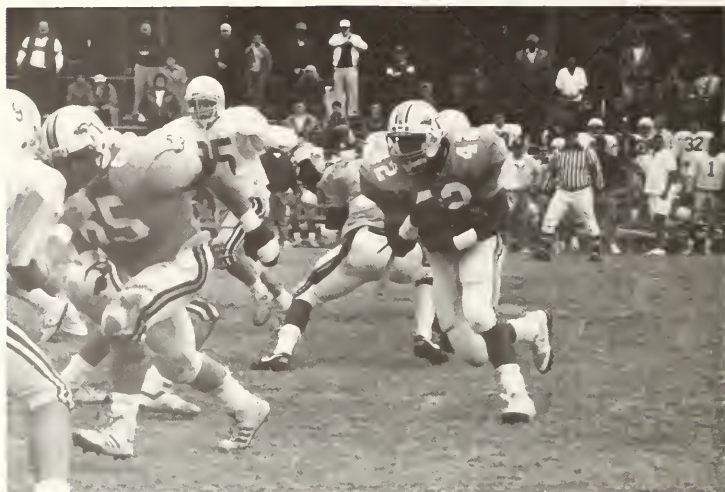

MONOGRAM CLUB

Members of Chowan's athletic teams, as well as the managers, trainers, and assistants, spend many, many hours in practice, travel to and from games, and competing in intercollegiate athletics. There are many rewards for these students, to include personal satisfaction, close friendships with teammates and coaches, and the appreciation of the college community. To recognize them further, they are admitted to the Chowan Monogram Club, whose membership is restricted to those who have made valuable contributions to the athletic program. The 1988-89 Monogram Club has a very large membership, and some of the members are pictured above. Under the sponsorship of Coach Jerry Hawkins, each member is presented a monogrammed jacket upon his entry into the club which is a token of appreciation for their service to the college.

East Bowl comes to Chowan

The 1988-89 Braves Football Team played their bowl game against Dean Junior College here at home. With an easy 50-7 win over their opponent, the day concluded with an awards presentation. Congratulations to the East Bowl Champs for 1988-89.

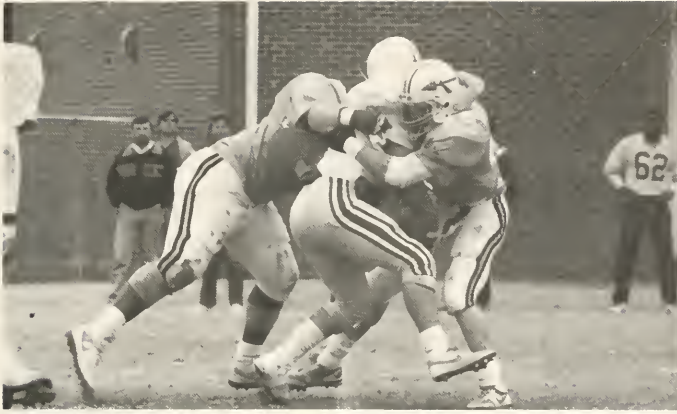

Top: Butch Moses finds running room with the help of a block from one of his teammates.

Center: After making a spectacular catch, Ervin Bryson breaks to the open field.

Bottom: Gary Campbell looks downfield for a receiver.

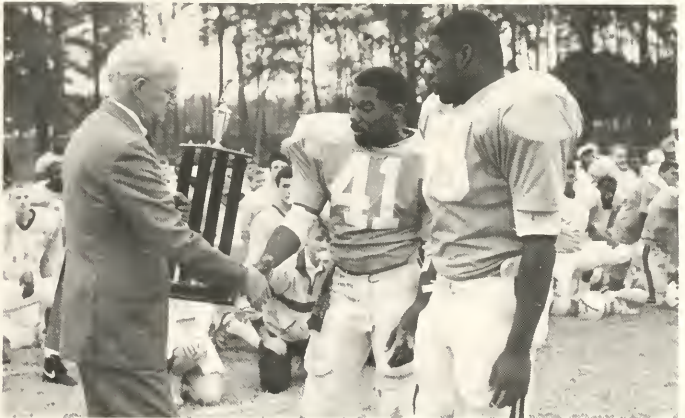

Top: Roger Rivas makes a tackle with the aid of Sherman Williams.

Center Left: Steve Baker accepts his award for Best Defensive Player.

Center Right: Gary Campbell goes for the TD on the quarterback sneak.

Bottom Left: Bryan Hamm accepts his award for Most Outstanding Offensive Player.

Bottom Right: Team Captains Bryan Hamm and George Koonce happily receive the team trophy from Dr. Whitaker.
